# Spring Photography Contest

The following pages showcase the winning photos in *Photographer's Forum* 27<sup>th</sup> Annual Spring Photography Contest. The names of the Winners and Honorable Mentions are also listed on our website: [www.pfmagazine.com](http://www.pfmagazine.com). This year's contest drew entries from amateur photographers all over the United States and Canada, as well as 19 other countries worldwide.

We are once again proud to have Canon Camera Corporation as our official contest sponsor. Canon donated two cameras (Canon EOS Digital Rebel) to the First Place Winners, one each to First Place Color and First Place Black & White. In addition, *Photographer's Forum* awarded a total of \$4,200 to the First through Fourth Place winners. Since 1980, cash prizes totaling over \$200,000 have been awarded to our contest winners.

The judges for this year's contest were: Mark Takeuchi, Faculty, Art Center College of Design; Paul Liebhardt, Faculty, Brooks Institute of Photography; and Amy Kawadler of Canon, U.S.A., Inc.

The Finalist images were selected by our Photo Editor, Nell Campbell, and represent the top 5% of the more than 20,000 photographs entered. All the Finalist photographs can be seen in a hardcover compilation, the *Best of Photography Annual 2007*, published in December 2007. Our judges reviewed all Finalist photographs, with each judge selecting 39 images for the final review. Each judge then scored every photo in the final review group to determine the 16 top images for cash awards. The remaining photographs in the final group became Honorable Mentions, and are listed here.

Congratulations to all the Winners, Honorable Mentions and Finalists!
